

Mutual Interactions between Zonal Flows and Turbulence Driven Magnetic Islands

Friday, October 26, 2018 3:00 PM (20 minutes)

Country or International Organization

France

Paper Number

TH/P8-20

Primary author: AGULLO, Olivier (Aix-Marseille Université)

Presenter: AGULLO, Olivier (Aix-Marseille Université)

Session Classification: P8 Posters

Track Classification: THS - Magnetic Confinement Theory and Modelling: Stability
