

# Advances in the understanding of the I-mode confinement regime: access, stationarity, edge/SOL transport and divertor impact

*Wednesday, October 24, 2018 2:00 PM (4h 45m)*

## Country or International Organization

Germany

## Paper Number

EX/2-3

**Primary author:** HAPPEL, Tim (Max-Planck-Institut für Plasmaphysik)

**Presenter:** HAPPEL, Tim (Max-Planck-Institut für Plasmaphysik)

**Session Classification:** IFE/1-EX/2 P4 Posters
