

International Conference on Nuclear Security
Vienna, Austria, 10-14 February 2020

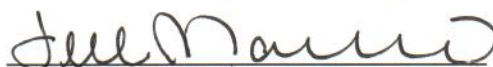

BIOGRAPHICAL SUMMARY FOR SPEAKERS

NAME:	Jill Manion
SESSION #	27
PAPER TITLE:	CAPACITY BUILDING TO ACHIEVE SUSTAINABLE SECURITY: Successful International Cooperation in the Dominican Republic
AFFILIATION/COMPANY:	U.S. DOE/National Nuclear Security Administration's Office of Radiological Security / Pacific Northwest National Laboratory
SHORT BACKGROUND FOR INTRODUCTION (2-3 LINES) to be included in the IAEA Conference and Meetings App:	Ms. Manion is a project manager at Pacific Northwest National Laboratory with special expertise in international government relations and US Department of Energy collaborations. She has supported the U.S. DOE/National Nuclear Security Administration's Office of Radiological Security for over a decade, and in her current role she is responsible for the development and implementation of a national and site-level infrastructure support strategy that assists participating countries and sites in forming the necessary foundation for long-term radiological security enhancement sustainability.

Release of Electronic Presentation

I agree that my electronic presentation provided at the **International Conference on Nuclear Security: Sustaining and Strengthening Efforts** to be held at the IAEA's Headquarters in Vienna, Austria, from **10 to 14 February 2020** is included in the conference proceeding and made available in the IAEA Conference and Meetings App as a PDF.
