

International Conference on Fast Reactors and Related Fuel Cycles FR22:  
Sustainable Clean Energy for the Future (CN-291)

Contribution ID: 432

Type: ORAL

# Overview of U.S. Fast Reactor Technology R&D Program

*Tuesday 19 April 2022 13:24 (12 minutes)*

## Country/Int. organization

United States of America

**Author:** HILL, Robert (Argonne National Laboratory)

**Presenter:** HILL, Robert (Argonne National Laboratory)

**Session Classification:** 1.1 Overviews and Fundamentals of Fast Reactors

**Track Classification:** Track 1. Innovative Fast Reactor Designs
