

International Conference on Fast Reactors and Related Fuel Cycles FR22:  
Sustainable Clean Energy for the Future (CN-291)

Contribution ID: 156

Type: ORAL

## Potential Role of Fast Reactors with Heterogeneous Fuel Assembly in Development Nuclear Power Structure

*Wednesday 20 April 2022 11:28 (12 minutes)*

### Country/Int. organization

Russian Federation

**Authors:** KOTOV, Yaroslav (National Research Centre "Kurchatov Institute"); NEVINITSA, Vladimir (National Research Center "Kurchatov Institute"); ANDRIANOVA, Elena (National Research Center "Kurchatov Institute"); FOMICHENKO, Peter (NRC Kurchatov Institute); Mr SUBBOTIN, Stanislav (National Research Center "Kurchatov Institute"); GROL, Alexander (National Research Centre "Kurchatov Institute")

**Presenter:** KOTOV, Yaroslav (National Research Centre "Kurchatov Institute")

**Session Classification:** 3.1 Fuel Cycle Scenarios

**Track Classification:** Track 3. Fuels, Fuel Cycles and Waste Management
