

International Conference on Fast Reactors and Related Fuel Cycles FR22:
Sustainable Clean Energy for the Future (CN-291)

Contribution ID: 260

Type: POSTER

Increase of nuclear power plant hydrogen safety using zirconium accumulator

Wednesday 20 April 2022 13:40 (2 hours)

Speaker's email address

e.a.orlova2017@yandex.ru

Speaker's title

Ms

Country/Int. organization

Russian Federation

Affiliation/Organization

National Research Nuclear University MEPhI (Obninsk Institute fo

Primary authors: ORLOVA, Ekaterina; SAMOKHIN, Dmitrii (National Research Nuclear University MEPhI); Mr ORLOV, Andrey (National Research Nuclear University MEPhI (Obninsk Institute for Nuclear Power Engineering)); Mr BELOZEROV, Vladimir (National Research Nuclear University MEPhI (Obninsk Institute for Nuclear Power Engineering))

Presenter: ORLOVA, Ekaterina

Session Classification: Poster Session

Track Classification: Track 2. Fast Reactor Safety
