

International Conference on Fast Reactors and Related Fuel Cycles FR22:  
Sustainable Clean Energy for the Future (CN-291)

Contribution ID: 69

Type: POSTER

# Modelling of radionuclide release from primary system during a hypothetical severe accident in an SFR

*Wednesday, April 20, 2022 1:40 PM (2 hours)*

## Speaker's email address

parthpdpu@gmail.com

## Speaker's title

Mr

## Country/Int. organization

India

## Affiliation/Organization

Indira Gandhi Centre for Atomic Research, India

**Primary authors:** PATEL, PARTHKUMAR RAJENDRABHAI (Indira Gandhi Centre for Atomic Research, India); Mr A., John Arul (Indira Gandhi Centre for Atomic Research, India)

**Presenter:** PATEL, PARTHKUMAR RAJENDRABHAI (Indira Gandhi Centre for Atomic Research, India)

**Session Classification:** Poster Session

**Track Classification:** Track 2. Fast Reactor Safety
