

International Conference on Advances in Radiation Oncology #ICARO3

Tuesday, 16 February 2021

Proton Radiotherapy: Parallel Sessions: Refresher Courses (12:00 - 15:00)

-Conveners: Karen Kirkby

| time | [id] title | presenter |
|-------|---|------------------|
| 12:00 | [236] Does it work: Developing and implementing clinical trials of PBT | GRAU, Cai |
| 12:20 | [237] Medical Physics Issues in Proton Therapy: Changing from 2 phases to single phase simultaneous integrated boost (to better use the optimiser) and use of EUD for plan assessment | LOWE, Matthew |
| 12:40 | [238] The patient-centred PBT pathway | HUGHES, Vicky |
| 12:55 | [239] Image Guidance in proton therapy | LANGEN, Katja |
| 13:10 | [240] Dose Accumulation in Proton Therapy | LOMAX, Tony |
| 13:25 | [241] FLASH proton therapy? | AYLWARD, Jack |
| 13:40 | [242] Paediatric Proton Therapy | MERCHANT, Thomas |
| 14:00 | Break | |
