

Technical Meeting on State-of-the-art Thermal Hydraulics of Fast Reactors

Thursday, 29 September 2022

Track V: Multiscale and Multiphysics Modelling (5.2) (09:30 - 10:30)

time	[id] title	presenter
09:30	[42] Development of Efficient Improved Core Thermal-Hydraulics Predictive Capability for Fast Reactors	Mr TAKASUGI, Cole
10:00	[100] Development of Plant Lifecycle Optimization Method, ARKADIA for Advanced Reactors	Dr UCHIBORI, Akihiro
