

# Technical Meeting on State-of-the-art Thermal Hydraulics of Fast Reactors

## Wednesday, 28 September 2022

### Track V: Multiscale and Multiphysics Modelling (5.1) (16:00 - 17:30)

time	[id] title	presenter
16:00	[43] Fast reactor multi-scale and multi-physics modelling at NRG	ZWIJSEN, Kevin
16:30	[71] Review and future perspectives of the coupled STH/CFD applications performed at the University of Pisa	Dr PUCCIARELLI, Andrea
17:00	[55] Estimation of FPs Release from Sodium Pool under BDBA conditions in a Sodium Fast Reactor	Dr GARCIA, MONICA
