

# International Conference on Safety and Security of Radioactive Sources: Accomplishments and Future Endeavours (CN-295)

Contribution ID: 205

Type: ICP (Interactive Content Presentations)

## Nonprofits Roles in Strengthening Radiological Security in Africa: Lessons and prospects

*Thursday, 23 June 2022 10:45 (15 minutes)*

Dear Evaluation Committee,

I would like to propose a presentation entitled “Nonprofit Roles in Strengthening Radiological Security in Africa: Lessons and prospects” for the “International Conference on the Safety and Security of Radioactive Sources –Accomplishments and Future Endeavours” planned for 20–24 June 2022, Vienna, Austria. I have attached the abstract for this presentation. I look forward to hearing from you regarding my proposal. If you need any further information, please feel free to contact me at [hfoy@afrcsis.org](mailto:hfoy@afrcsis.org).

Regards,

Hubert Foy

### Country OR Intl. Organization

**Primary author:** Mr FOY, Hubert (African Centre for Science and International Security)
