

International Conference on Accelerators for Research and Sustainable Development: from good practices towards socioeconomic impact

Contribution ID: 185

Type: Poster

Accelerator based positron annihilation spectroscopy for materials characterization

Speaker's Affiliation

Bowling Green State University

Member State or IGO

United States

Topical Area

Materials research (including materials damage studies)

Primary author: Prof. SELIM, Farida (Bowling Green State University)

Presenter: Prof. SELIM, Farida (Bowling Green State University)

Track Classification: Cutting-edge scientific results and innovation in applications
