

# Plasma physics performance and impact on plant efficiency

*Thursday, 1 September 2022 10:10 (45 minutes)*

**Country or International Organisation**

**Affiliation**

**Primary authors:** SAKAMOTO, Yoshiteru (National Institutes for Quantum and Radiological Science and Technology); KAMADA, Yutaka (QST)

**Presenter:** SAKAMOTO, Yoshiteru (National Institutes for Quantum and Radiological Science and Technology)

**Session Classification:** Thursday, 1 September 2022

**Track Classification:** Topic 3: Efficiency: coolant selection, cost, and delivering time: Plasma physics performance and impact on plant efficiency
