

Technical Meeting on Compatibility Between Coolants and Materials for Fusion Facilities and Advanced Fission Reactors

Monday, 30 October 2023

Advances in the Areas of Fusion and Fission technologies - M5, Ground Floor, M Building (13:40 - 17:20)

time	[id] title	presenter
13:40	[43] Objectives of the Technical Meeting	Mr ARTISIUK (IAEA), Vladimir
13:50	[44] EUROfusion R&D Activities Towards a Fusion Demonstration Power Plant	Mr KAMENDJE, Richard
14:40	Group Photo	
14:50	Coffee Break	
15:20	[47] Current Status of ITER Project	Mr CARLONI, Dario
15:50	[48] Fission Fusion Hybrids	Mr KUTEEV, Boris
16:20	[49] Fusion Industry Association	Mr HOLLAND, Andrew
16:50	[50] Status of the Fusion related Activities in IAEA-NA	Mr BARBARINO, Matteo
