

Fifth Technical Meeting on Fusion Data Processing, Validation and Analysis

Wednesday, 14 June 2023

DB/2 Information retrieval, dimensionality reduction and visualisation in fusion databases: Session 9 (15:30 - 17:30)

-Conveners: Min Xu; Joshua Stillerman

time	[id] title	presenter
15:30	[43] Optimizing tokamak operations using Machine learning methods as a service	Mrs ALMUHISEN, Feda
16:00	[36] IMAS simulation management and remote data access for ITER	HOLLOCOMBE, Jonathan
16:30	[29] IODA: a new federated web platform for collaboration and sharing of data analysis resources in Fusion Data Research	ESQUEMBRE, Francisco
17:00	[30] The Design of NBI Experimental Data Processing System	Dr GU, Yu
