

Consultancy Meeting on Information Exchange on Developments and Operations of Nuclear Data Dissemination Services

Contribution ID: 12

Type: **not specified**

3. Open Science efforts update: DOIs and Licenses

Tuesday, 16 January 2024 16:20 (45 minutes)

The presentation will give a status update on the NDS efforts to mint DOIs for resources available on the NDS website and on the efforts to use open licenses (CC-BY-4.0 in case of data libraries and MIT in case of software) for the open resources available on the NDS website.
