

# Experimental profiles of Helicon wave power in the core of DIII-D plasmas

Thursday 16 October 2025 18:09 (1 minute)

## Speaker's email address

schowdhury@physics.ucla.edu

## Speaker's Affiliation

University of California, Los Angeles

## Member State or IGO

United States

## Gender Survey (Speaker Only)

Mr

**Author:** Dr CHOWDHURY, Satyajit (University of California, Los Angeles)

**Co-authors:** CROCKER, Neal (University of California Los Angeles); Dr PEEBLES, William (University of California, Los Angeles); Dr PRATT, Quinn (Princeton Plasma Physics Laboratory); Dr ZENG, Lei (University of California, Los Angeles); RHODES, Terry (UCLA); VAN COMPERNOLLE, Bart (General Atomics); LESTZ, Jeff (General Atomics); PINSKER, Robert (General Atomics); TANG, Shawn X. (General Atomics)

**Presenter:** Dr CHOWDHURY, Satyajit (University of California, Los Angeles)

**Session Classification:** Posters 4

**Track Classification:** EX - Magnetic Fusion Experiments including Validation: EX-H - Heating & Current Drive
