

CLUSTER DYNAMICS MODELING OF DEFECT EVOLUTION IN NEUTRON-IRRADIATED TUNGSTEN FOR FUSION APPLICATIONS

Friday 17 October 2025 12:39 (1 minute)

Speaker's email address

wangzhaof@mail.ustc.edu.cn

Speaker's Affiliation

University of Science and Technology of China, Hefei

Member State or IGO

China

Gender Survey (Speaker Only)

Mr

Author: WANG, Zhaofan (University of Science and Technology of China)

Co-authors: YIN, Chao (University of Science and Technology of China); Prof. YE, Minyou (University of Science and Technology of China); MAO, Shifeng (University of Science and Technology of China); CHEN, Ze (University of Science and Technology of China); LIU, Zhe (University of Science and Technology of China)

Presenter: WANG, Zhaofan (University of Science and Technology of China)

Session Classification: Posters 5

Track Classification: TH - Magnetic Fusion Theory and Simulation: TH-M - Material Interactions
