

# Strong toroidal electric field generation during sawtooth crashes

*Saturday 18 October 2025 13:33 (1 minute)*

## Speaker's email address

wzhang\_ifs@zju.edu.cn

## Speaker's Affiliation

Institute for Fusion Theory and Simulation, School of Physics, Zhejiang University, Hangzhou, China

## Member State or IGO

China

## Gender Survey (Speaker Only)

Mr

**Author:** Prof. ZHANG, Wei (Institute for Fusion Theory and Simulation, School of Physics, Zhejiang University, Hangzhou, China)

**Co-author:** MA, ZHIWEI (IFTS,ZHEJIANG)

**Presenter:** Prof. ZHANG, Wei (Institute for Fusion Theory and Simulation, School of Physics, Zhejiang University, Hangzhou, China)

**Session Classification:** Posters 7

**Track Classification:** TH - Magnetic Fusion Theory and Simulation: TH-S - Stability
