

7th International Workshop on

Models and Data for Plasma–Material Interactions in Fusion Devices

26 – 28 May 2025
Vienna, Austria

In cooperation with:

Aix-Marseille Université, France
Beihang University, China
Bhabha Atomic Research Centre, India
Centrum Wiskunde & Informatica, The Netherlands
Forschungszentrum Jülich, Germany
Max-Planck-Institut für Eisenforschung, Germany
Max-Planck-Institut für Plasmaphysik, Germany
National Institute for Fusion Science, Japan
Seoul National University, Korea
Stony Brook University, USA
United Kingdom Atomic Energy Authority, UK
University of Helsinki, Finland
University of Illinois, USA
University of Tennessee, USA
