

Consultants Meeting of INDEN on Structural Materials

Tuesday 17 December 2024

Benchmarking (09:00 - 12:00)

time	[id] title	presenter
09:00	[13] Narrow beam neutron transmission benchmarks and evaluated data in the region of resonance cross section structures	PRONYAEV, Vladimir
10:00	[17] Adjustment and validation of iron-56 data with shielding benchmarks	WU, Haicheng
11:00	[5] Review of INDEN structural material evaluations and challenges	CAPOTE NOY, Roberto Mario

Benchmarking (13:30 - 17:00)

time	[id] title	presenter
13:30	[11] PETALE stainless-steel transmission experiments in CROCUS: feedback on INDEN evaluations	LIGONNET, Thomas
14:30	[3] Interest on high quality evaluation of Zr isotopes for LWRs	BERNARD, David
15:30	[4] PAST AND PLANNED Integral Experiments: IEs for Structural Material Validation	BRAIN, Peter
