

Session Program

12–14 Nov 2025

CM on Evaluation of Photon Strength Functions

Presentations II

IAEA, Vienna, Austria, MOE69

Wednesday 12 November

14:00

Presentations II

Session | Location: IAEA, Vienna, Austria, MOE69

15:00–16:00

Systematics of characteristics of pygmy dipole resonances in middle and heavy atomic nuclei with neutron excess

Speaker

Oleksandr Gorbachenko

17:00
