

# Symposium on International Safeguards: Linking Strategy, Implementation and People - IAEA CN-220

## Wednesday, 22 October 2014

**Frameworks for Monitoring the Quality of the Operator's Measurement and Accounting Systems - Room M3 (14:00 - 15:30)**

-Conveners: Stefano Ciccarello; Shoko Iso

| time  | [id] title                                                                                                                                                                                                  | presenter                    |
|-------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------|
| 14:10 | [47] Role and Successes of Trilateral Liaison Frameworks (IAEA-SSACs/RSACs- Nuclear Fuel Cycle Facility Operators) in Monitoring the Quality of the Operator's Measurement and Accounting Systems           | NORMAN, Claude<br>ISO, Shoko |
| 14:30 | [175] Ensuring Solid, Transparent and Scientifically Sound Material Balance Evaluation (MBE) Practice in the EC through Collaboration Between Regulators, Operators and the Scientific Safeguards Community | BENCARDINO, Raffaele         |
| 14:50 | [98] Technical Review of Operator's Destructive Analyses at the Rokkasho Reprocessing Plant: Strengthening the Transparency of the Operator's Measurement System                                            | SATO, Nobuharu               |
| 15:10 | [345] Continuous Analytical Performances Monitoring at the On Site Laboratory through Proficiency, Inter-Laboratory Testing and Inter-Comparison Analytical Methods                                         | DECAILLON, Jean-Gary         |

**Frameworks for Monitoring the Quality of the Operator's Measurement and Accounting Systems: PANEL - Room M3 (16:00 - 17:30)**

-Conveners: Stefano Ciccarello; Shoko Iso

| time  | [id] title                                                                                              | presenter                                                                                                                                         |
|-------|---------------------------------------------------------------------------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------|
| 16:00 | [407] Panel: Frameworks for Monitoring the Quality of the Operator's Measurement and Accounting Systems | AF EKENSTAM, Goeran<br>KESELICA, Miroslav<br>BUSCAGLIA, Pascal<br>BENCARDINO, Raffaele<br>BINNER, Robert<br>ISO, Shoko<br>FERNANDEZ MORENO, Sonia |
