

Session Program

15–19 Sept 2014

**Technical Meeting on Management Strategies for
Accelerator Facilities**

Opening Session

Sant-Aubin, France

Monday 15 September

11:00

Opening Session

Session | Location: Sant-Aubin, France | Convener: Dr Amor NADJI

11:00–11:10 **Welcome from the Soleil DG**

Speaker

Jean Daillant

11:10–11:20 **Welcome from French Atomic Energy Commission**

Speaker

Gabriele Fioni

11:20–11:30 **Welcome from CNRS**

Speaker

Amina Taleb-Ibrahimi

11:30–11:40 **Welcome from IAEA**

Speaker

Aliz Simon

11:40

13:45

Opening Session

Session | Location: Sant-Aubin, France | Convener: Dr Amor NADJI

13:45–14:05 **Overview on Synchrotron SOLEIL: Infrastructure and Collaborations**

Speaker

Amor Nadji

14:05–14:25 **New IAEA Initiatives to Advance Accelerator-based Research & Development**

Speaker

Aliz Simon

14:25–14:45 **Introduction to the Technical Meeting (Amor Nadji and Aliz Simon, Co-Chairs)**

Speakers

Aliz Simon, Amor Nadji

14:45

15:15

Opening Session

Session | Location: Sant-Aubin, France | Convener: Dr Amor NADJI

15:15–16:05 **Particle Accelerators: From Design to Operation**

Speaker

Frédéric Bordry

16:05–16:25

Mapping of the European Research Infrastructures Landscape (MERIL) - A Case Study on Accelerator Facilities

Speaker

Ana Helman

16:25–16:45

Nuclear Science and Applications with Next Generation of High Power Lasers and Brilliant Low Energy Gamma Beams at ELI-NP

Speaker

Sydney Gales

16:45–17:05

Lessons Learned for Sustainable Research Reactor Utilization: From Knowledge Management to Provision of Products and Services

Speaker

Danas Ridikas

17:05
