Contribution ID: 184

Type: **Dialogue Session**

Interfaces between Security Culture and Safety Culture

Tuesday, 23 February 2016 15:45 (1h 15m)

Synopsis

This dialogue session is intended to encourage dialogue among IAEA representatives and experts in security culture and safety culture on the interfaces between these cultures. Beginning with several examples of the interfaces between nuclear security and safety that are currently part of the IAEA programme, this dialogue will go deeper to stimulate dialogue on possible approaches to effectively promote and enhance security culture and safety culture in a manner that complements each other.
