Selection and Training of Personnel for the New Nuclear Medicine and Radiation Therapy Centre in Bariloche

Monday, 7 November 2016 17:00 (1 hour)

A basic strategy for the development of a new organization is the selection of personnel, especially if it is an institute that offers a technological and professional innovation. This work aims to define specific profiles for the Centre for Nuclear Medicine and Radiation Therapy Bariloche and to design a plan for selecting and training professionals.
